INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

John and Jackie, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

John and Jackie, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. John, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

John, your Personal Year for 2020 is 1

Be ready for major changes. John, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

John, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

Jackie, your Personal Year for 2020 is 9

This is your year to finish up all unfinished business, Jackie, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Jackie, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Your Personal Year's compatibility for 2020 is 1 and 9

Compatibility is as important with the cycles as it is with character traits. It is

possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Once every nine years, John and Jackie, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Jackie, exactly when John is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For John, the most important piece of advice is to give Jackie plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Jackie is overly emotional. For Jackie, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

John, your Personal Year for 2021 is 2

John, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. John, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Jackie, your Personal Year for 2021 is 1

Be ready for major changes. Jackie, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

Your Personal Year's compatibility for 2021 is 2 and 1

Jackie, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. John, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For John, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and John may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other. Jackie will be the engine of change and progress, while John will steer and redirect. However, Jackie will have to be sensitive and careful and not expect John to be as motivated and driven. In turn, John needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Jackie may also have to accept the fact that John is a bit more demanding than usual.

John, your Personal Year for 2022 is 3

This is a year of expansion and personal growth, John. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

John, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this year's tendencies towards glamour and extravagance, yet allow

your self more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Jackie, your Personal Year for 2022 is 2

Jackie, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year's compatibility for 2022 is 3 and 2

Jackie is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Jackie more vulnerable than usual. At the same time, John is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. John feels quite confident and won't dwell on emotions as much as during other times. Jackie, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Jackie's part, contrary to John who is less sensitive and intuitive.

The result can be confusion and misunderstandings. John doesn't understand why Jackie is getting so upset about some minor argument, while Jackie wonders why John seems so unattached and distracted, almost as if Jackie's feelings don't matter. This is a time, John, to pay close attention to Jackie and the relationship you have together. For Jackie, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if John seems a bit caught up in other things, that's because John feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

John, your Personal Month for September 2020 is 1

John, September is 1 Personal Month in a 1 Personal Year. You experience an increase in inner strength, independence, and individuality. Your health improves. You are more emotionally stable and ready to aggressively pursue your goals.

This is also the time to bring about practical changes that you have long contemplated as essential to your health and happiness. This combination of numbers inspires smokers to quit, over-eaters to modify their diets, health abusers to reform. It is unmistakably the dawn of a new era in your life.

Read the Decoz material on your current Pinnacle number again (see your Personal Reading - the Pinnacle Cycles), for a good understanding of the direction your life is taking.

If you are single, John, you may encounter someone during the second part of this month, or the beginning of next, who may well become a permanent part of your life.

Jackie, your Personal Month for September 2020 is 9

Jackie, September is a 9 Personal Month in a 9 Personal Year. Now your desire for change reaches a climax. You are taking steps to implement changes

you have been considering for some time. Nothing is stable right now, but that should not worry you.

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Your Personal Month's compatibility for September 2020 is 1 and 9

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

John and Jackie, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

John, your Personal Month for October 2020 is 2

John, October is a 2 Personal Month in a 1 Personal Year. Your intuition and sensitivity are heightened. You are much more aware of feelings, your own as

well as those of others. This may cause you to make mountains out of mole-hills, however. Still, you possess the ability to gently guide others, and to maintain harmony even in potentially discordant situations.

This combination of numbers represents opposites, yin and the yang -- the most masculine number 1 and the most feminine 2.

The result is that you experience the best of two worlds; the strength and confidence of the leader, and the tact and subtlety of the diplomat.

John, you may experience an increase in your authority at work.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and love stronger felt -- by you and by your loved one.

You are more vulnerable to criticism than usual, which can cause outbursts of anger. By the end of the month and the beginning of the next month you may realize that an apology is both wise and in order.

Jackie, your Personal Month for October 2020 is 1

Jackie, October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. Jackie, you may meet someone who becomes a permanent fixture in your life.

Your Personal Month's compatibility for October 2020 is 2 and 1

Jackie, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. John, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For John, this is a time of networking, finding resources, and aligning with others, a time during

which emotions and feelings are more important than usual, and John may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other. Jackie will be the engine of change and progress, while John will steer and redirect. However, Jackie will have to be sensitive and careful and not expect John to be as motivated and driven. In turn, John needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Jackie may also have to accept the fact that John is a bit more demanding than usual.

John, your Personal Month for November 2020 is 3

John, November is a 3 Personal Month in a 1 Personal Year. It is an excellent time to inspire and motivate others.

Your enthusiasm is contagious and no obstacle is too great to overcome. You have little patience this month and would like everything to go much faster. Your mind goes at Mach speed but may scatter your energies. You will be all too willing to cut corners to avoid effort or details, which may result in a frustrating and over-worked December.

Be disciplined and follow projects through to completion.

Ideas come popping out of you. John, your creativity seems to burst in all directions. The trick is in differentiating between iron balloons and those that truly float.

The opposite sex is attracted to you and temptation is part of the game. There is the danger of irresponsible behavior. Be careful.

Jackie, your Personal Month for November 2020 is 2

Jackie, November is a 2 Personal Month in a 9 Personal Year. You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Your Personal Month's compatibility for November 2020 is 3 and 2

Jackie is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Jackie more vulnerable than usual. At the same time, John is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. John feels quite confident and won't dwell on emotions as much as during other times. Jackie, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Jackie's part, contrary to John who is less sensitive and intuitive.

The result can be confusion and misunderstandings. John doesn't understand why Jackie is getting so upset about some minor argument, while Jackie wonders why John seems so unattached and distracted, almost as if Jackie's feelings don't matter. This is a time, John, to pay close attention to Jackie and the relationship you have together. For Jackie, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if John seems a bit caught up in other things, that's because John feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

John, your Personal Month for December 2020 is 4

John, December is a 4 Personal Month in a 1 Personal Year. It brings opportunity and frustration. Stay focused on your goals and work hard. It is an excellent month for career with much opportunity for progress, due partly to last month's optimism and enthusiasm. You have impressed people, some of whom are now ready to offer you the proverbial carrot. There is a hitch; you may not feel you are ready, and a little courage is required.

Another aspect of this combination of numbers is the frustration caused by your inability to force a direction of your own choosing. You may feel caught in a trap, stuck in a rut. John, you have to be willing to maintain a high level of effort, because this is definitely not a time to quit, no matter how frustrating the current period may be. Even in matters of the heart, you may feel stuck in the mud.

Patience and diligence are the key-words for this month.

Jackie, your Personal Month for December 2020 is 3

Jackie, December is a 3 Personal Month in a 9 Personal Year. It's time to lighten up. Be playful, enjoy yourself. Don't take things too serious. It is time to recharge your batteries.

There will be ample opportunity for social events and you should take advantage of that.

Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax.

Jackie, you are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Your Personal Month's compatibility for December 2020 is 4 and 3

Jackie and John, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Jackie, this is a time to relax and smell the roses, while John needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. John needs to accept the fact that Jackie is not as disciplined and ambitious as usual, while Jackie should not try to talk John into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Jackie should be allowed to back off a little from the daily grind, while John should be supported and encouraged throughout this rather demanding period.

John, your Personal Month for January 2021 is 3

John, January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

John, you are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Jackie, your Personal Month for January 2021 is 2

Jackie, January is a 2 Personal Month in a 1 Personal Year. This is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind.

This is a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism, and back again. This is to be expected when you are right in the middle of a major personality overhaul.

January is your first month of a new long-term cycle. Many of the changes you are going through require approximately two years; you have now begun the second of those years. Jackie, your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply.

Friendships intensify and can be very comforting and healing.

You will likely find yourself being helpful to others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others.

You will be tactful and capable of creating harmony where there was turmoil. At times, you may be overly sensitive, and may not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Your Personal Month's compatibility for January 2021 is 3 and 2

Jackie is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Jackie more vulnerable than usual. At the same time, John is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. John feels quite confident and won't dwell on emotions as much as during other times. Jackie, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Jackie's part, contrary to John who is less sensitive and intuitive.

The result can be confusion and misunderstandings. John doesn't understand why Jackie is getting so upset about some minor argument, while Jackie wonders why John seems so unattached and distracted, almost as if Jackie's feelings don't matter. This is a time, John, to pay close attention to Jackie and the relationship you have together. For Jackie, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if John seems a bit caught up in other things, that's because John feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

John, your Personal Month for February 2021 is 4

John, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. John, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Jackie, your Personal Month for February 2021 is 3

Jackie, February is a 3 Personal Month in a 1 Personal Year. It brings objective reasons for optimism. Now there is a sense of promise in the year. You see your direction a little clearer. There is a sense of beginning. This causes you to lighten up and become more social, especially during the latter part of the month. People are attracted to your upbeat attitude. You attract support from unexpected sources.

A new project ignites your excitement, energy, and motivation, all of which you are able to communicate to others.

The real work does not start until next month, and for that reason, this month offers some time for planning, as well as leisure and rest.

You are quick-witted and your sense of humor is enhanced. Friends are drawn to you and there will be plenty of invitations for social events.

Romance is exciting and promising. Jackie, your self-expression is improved and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Your Personal Month's compatibility for February 2021 is 4 and 3

Jackie and John, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Jackie, this is a time to relax and smell the roses, while John needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. John needs to accept the fact that Jackie is not as disciplined and ambitious as usual, while Jackie should not try to talk John into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Jackie should be allowed to back off a little from the daily grind, while John should be supported and encouraged throughout this rather demanding period.

John, your Personal Month for March 2021 is 5

John, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Jackie, your Personal Month for March 2021 is 4

Jackie, March is a 4 Personal Month in a 1 Personal Year and is the time to deliver; to show yourself and everyone involved that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details.

This is also a month in which your ability to plan and organize future events is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort.

Slacking would be a serious mistake.

The month can be a little frustrating because so much of your energy will have to be directed to work and details, even routine matters. But this is a time that will likely bring forth an important opportunity, and result in real progress.

It's surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getters approach and your can-do mentality. Jackie, you will find yourself in demand.

Your Personal Month's compatibility for March 2021 is 5 and 4

Jackie and John, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Jackie, and a time of change, excitement, and dynamic energy for John. As a result, John is in a position to help Jackie to keep moving forward and not get too frustrated by the demands of this cycle, and Jackie will be able to function somewhat like an anchor for John. John can certainly use the stable influence of Jackie during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all

other levels.

John, your Personal Month for April 2021 is 6

John, April is a 6 Personal Month in a 2 Personal Year. Matters of the heart come to the foreground.

Romance is now at the top of your list of opportunities.

On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

John, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

Jackie, your Personal Month for April 2021 is 5

Jackie, April is a 5 Personal Month in a 1 Personal Year. It brings change in many practical areas of your life. As explained earlier, this year and last combine to bring about major changes. April brings many of these changes to the surface. They can include a change of residence or in career.

The month often includes travel. You can count on a dynamic month, hectic even, but also adventurous and exciting.

Consequently, the month requires flexibility and a willingness to accept change. Adapt. Respond. Embrace change. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises, but don't worry; the changes will streamline your ship and make your progress easier and more efficient.

Jackie, your ability to promote yourself and your ideas is also enhanced. You have an uncanny talent to be in the right place at the right time this month. Both at work and at social events, you'll be able to advertise your talents and abilities. People will be drawn to you.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline in order to prevent the scattering of your energy. Unless you concentrate, you may realize at the end of this month that you did not get a lot done.

Romance reveals a self-indulgent and perhaps irresponsible streak in you and should be handled with the utmost care.

Your Personal Month's compatibility for April 2021 is 6 and 5

Jackie is in a cycle of change and highly charged energy. John is in a cycle of stability and responsibility. Jackie's energy is restless and dynamic, John's energy is focused and grounded. Jackie is looking around for opportunity and adventure. John is looking at the home and the family. John's attention is focused near by, on the people and things that matter most. Jackie's attention is focused away; on work, career, travel and so forth.

These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Jackie and John, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

John, your Personal Month for May 2021 is 7

John, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

Jackie, your Personal Month for May 2021 is 6

Jackie, May is a 6 Personal Month in a 1 Personal Year. Love is a strong possibility and may require commitment. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community affairs move to the foreground of your life.

Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

Consequently, this combination can represent both extremes of relationship -- either deeper commitment and more lasting love; or separation and divorce.

Honesty is essential to the positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation. However, white lies can turn ugly and become very destructive, particularly during this time.

In general, this is a good time for career and financial matters, as long as you are wise and careful. Be sure to avoid speculation or chance-taking.

This month may get you involved in a legal affair and, if that is the case, you can look forward to a positive outcome, as long as you stick to the truth and behave honorably.

During a 6 Personal Month, 1 Personal Year, your ethics and moral values -- more than at any other time -- are crucial to your success.

Your Personal Month's compatibility for May 2021 is 7 and 6

Jackie and John, you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Jackie is reaching out to people, John is avoiding them. Jackie is more extrovert than usual, John is seeking peace and quiet.

A positive influence during this time is found in the fact Jackie more tolerant and giving, willing to sacrifice here and there to accommodate John. This is an important and much needed factor to make this a harmonious time. John is not very patient right now and doesn't want to be bothered.

Jackie, it is important to remember that if John seems a bit cool and distant, this has nothing to do with the relationship. John is doing some soul searching and needs to be given some space and distance. John, it is crucial not to forget Jackie and not to get lost within yourself to the extent of ignoring the world around

you. Pay attention to those you care about, John. Your relationship with your friends, your family and with Jackie will last a lot longer than this period of self-examination and spiritual exploration.

John, your Personal Month for June 2021 is 8

John, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

Jackie, your Personal Month for June 2021 is 7

Jackie, June is a 7 Personal Month in a 1 Personal Year and offers time and opportunity for contemplation and insight.

Career and romance do not require as much attention as your own inner need to understand your motivations and desires. Don't make the mistake of feeling guilty for not carrying your load, or for not working hard enough. This is a month to set aside time for yourself. Look inside, get a better idea of what you want out of life, and don't be afraid to confront yourself. This is a spiritual time and a wonderful opportunity to gain insight into your true motivations and desires.

Your career should not require much attention; just keep up your sails and let the wind take care of the rest.

Financially, this is a time to be conservative. Let friends coast on their own. This is a month to devote to the inner you.

Your Personal Month's compatibility for June 2021 is 8 and 7

Jackie, during this time you may feel left behind, perhaps forgotten and ignored.

Of course, this is not really the case. It is just that John is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Jackie, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Jackie and John, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. John is out there, full of plans and visions, while Jackie is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, John, when you should not try too hard to get Jackie involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

John, your Personal Month for July 2021 is 9

John, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. John, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt

than if you remain balanced between your own needs and service to others.

Jackie, your Personal Month for July 2021 is 8

Jackie, July is an 8 Personal Month in a 1 Personal Year. Career and finances are at the top of all your priorities. Work hard and wisely. Combine practicality and vision. This is not the time to sit and stare into space, but to be on your toes, to keep your eyes wide open, and refrain from taking any unnecessary risks. For professional gamblers, this can be a very profitable period, but for those of us who live according to the simpler laws of effort and reward, this is a month to stay with the tried and true. All affairs related to money should be handled with the utmost care. But let me be clear: This month is a rewarding time, and your chances that events will take a positive turn are great. If you are wise and cautious, you may increase your bank balance considerably. Nine-out-of-ten people in this combination -- 8 Month, 1 Year -- increase the strength of their financial positions.

This month brings strong emotions in personal relationships. Chances are good that someone has been trying to take advantage of you. Moreover, this realization leaves you disappointed. The situation will eventually be resolved, but the healing will likely take time.

If you are not yet romantically involved, this month may introduce you to someone special through work or business.

Your Personal Month's compatibility for July 2021 is 9 and 8

Jackie and John, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Jackie, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Jackie during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For John, this is a time when everything feels shaky and insecure. John needs Jackie right now. John needs the human contact, the commitment and the security Jackie has to offer more than during most cycles. With Jackie's focus on the world outside the relationship, and John needing Jackie's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Jackie, pay attention to John. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need John's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Jackie and John, you have probably learned to adjust to each

other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

John, your Personal Month for August 2021 is 1

John, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

John, you likely will be introduced to new people and, if you are not already involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Jackie, your Personal Month for August 2021 is 9

Jackie, August is a 9 Personal Month in a 1 Personal Year and promises some important changes. The previous year -- a 9 Personal Year and this year, your 1 Personal Year -- are considered a two-year block of time in which much wrapping up of old business, habits, and personal relationships are finally put to rest. This month, your 9 Personal Month in your 1 Personal Year, represents the concluding stage of that two year period. The last quick sweep of outdated concepts and expectations, confusions and doubts is done.

With the beginning of next month, your inner house will be thoroughly cleaned. There will be a few moments of unexplainable emotional upsets, melancholy, and such, but they are essentially the remnants of the old you. Share those feelings with someone close to you. Take comfort in heart-to-heart talks. Still, do not doubt that you now have both feet firmly planted in the new 9 year cycle. You are ready to move ahead.

If your love relationship is fairly recent, Jackie, or still fragile, this month will

likely reveal whether it is of true substance and endurance. Let go of whatever wants to be free; hold on to what wants to stay. And then look to a brighter future.

Your Personal Month's compatibility for August 2021 is 1 and 9

Once every nine years, John and Jackie, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Jackie, exactly when John is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For John, the most important piece of advice is to give Jackie plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Jackie is overly emotional. For Jackie, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

John, your Personal Month for September 2021 is 2

John, September is a 2 Personal Month in a 2 Personal Year. The number 11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months'

excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Jackie, your Personal Month for September 2021 is 1

Jackie, September is 1 Personal Month in a 1 Personal Year. You experience an increase in inner strength, independence, and individuality. Your health improves. You are more emotionally stable and ready to aggressively pursue your goals.

This is also the time to bring about practical changes that you have long contemplated as essential to your health and happiness. This combination of numbers inspires smokers to quit, over-eaters to modify their diets, health abusers to reform. It is unmistakably the dawn of a new era in your life.

Read the Decoz material on your current Pinnacle number again (see your Personal Reading - the Pinnacle Cycles), for a good understanding of the direction your life is taking.

If you are single, Jackie, you may encounter someone during the second part of this month, or the beginning of next, who may well become a permanent part of your life.

Your Personal Month's compatibility for September 2021 is 2 and 1

John and Jackie, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

John, your Personal Month for October 2021 is 3

John, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Jackie, your Personal Month for October 2021 is 2

Jackie, October is a 2 Personal Month in a 1 Personal Year. Your intuition and sensitivity are heightened. You are much more aware of feelings, your own as well as those of others. This may cause you to make mountains out of mole-hills, however. Still, you possess the ability to gently guide others, and to maintain harmony even in potentially discordant situations.

This combination of numbers represents opposites, yin and the yang -- the most masculine number 1 and the most feminine 2.

The result is that you experience the best of two worlds; the strength and confidence of the leader, and the tact and subtlety of the diplomat.

Jackie, you may experience an increase in your authority at work.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and love stronger felt -- by you and by your loved one.

You are more vulnerable to criticism than usual, which can cause outbursts of anger. By the end of the month and the beginning of the next month you may realize that an apology is both wise and in order.

Your Personal Month's compatibility for October 2021 is 3 and 2

Jackie is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Jackie more vulnerable than usual. At the same time, John is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. John feels quite confident and won't dwell on emotions as much as during other times. Jackie, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Jackie's part, contrary to John who is less sensitive and intuitive.

The result can be confusion and misunderstandings. John doesn't understand why Jackie is getting so upset about some minor argument, while Jackie wonders

why John seems so unattached and distracted, almost as if Jackie's feelings don't matter. This is a time, John, to pay close attention to Jackie and the relationship you have together. For Jackie, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if John seems a bit caught up in other things, that's because John feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Be disciplined and follow projects through to completion.

Ideas come popping out of you. Jackie, your creativity seems to burst in all directions. The trick is in differentiating between iron balloons and those that truly float.

Your Personal Month's compatibility for November 2021 is 4 and 3

Jackie and John, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Jackie, this is a time to relax and smell the roses, while John needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. John needs to accept the fact that Jackie is not as disciplined and ambitious as usual, while Jackie should not try to talk John into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Jackie should be allowed to back off a little from the daily grind, while John should be supported and encouraged throughout this rather demanding period.

By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers.
